## Background:

Ruben Centre was founded by Sister Mary Killen, a mercy sister in 1986 as a school. In year 2000, the Christian Brothers of Australia took over the management and Leadership of the centre. The Centre provides primary school education, healthcare, community development and outreach services to the Mukuru slum community. Ruben Centre has since grown extensively and operates in four thematic development areas :Education, Health, Social & Economic Empowerment and advocacy.

### VISION:

An empowered and just Mukuru Community

### MISSION:

To liberate the vulnerable and marginalised in mukuru community through quality education, health,socio-economic services and advocacy

### CORE VALUES:

Presence  
Compassion and  
Liberation

### STRATEGIC OBJECTIVES:

- (a) Education: To ensure a safe and child friendly learning environment with a comprehensive development approach to education.
- (b) Health: To further develop a modern healthcare facility of choice that provides innovation, quality, evidence based healthcare services for all.
- (c) Social & Economic Empowerment: To reduce dependacy and increase self reliance and livelihood sustainability to mukuru residents.
- (d) Advocacy: To build a vibrant and responsive advocacy and networking platform that safeguards, educates and empowers the mukuru community.
- (e) Organizational Capacity: To strenghten capacity and sustainability, and to grow as a dynamic faith based service for the Mukuru community.

## Report of the Management

The management submits its report together with the audited financial statements for the year ended 31 December 2022, which reflect the state of the organization.

### Principal activities

Support for the vulnerable and marginalised in mukuru community through quality education, health, socio-economic services and advocacy

### Performance/Results

Results for the year ended December 31, 2022 are set out on page 7 and further explained in the notes to the financial statements and in the attached appendix.

The Board that held office during the year ended December 31, 2022 and as of the date of this report is presented on page 1.

### Auditors

During the year, Bon & Drew Associates were appointed as the organisation's auditors and have expressed their willingness to continue in office .

Approved by the Board of Trustee Ruben centre on..... and signed on its behalf by:

Chair of the BOD of trustee J. Kennedy Date 18.4.2023

Director F. Coshea Date 19/4/2023

## REPORT OF THE INDEPENDENT AUDITORS For the year ended 31 December 2022

### Statement of the Management's responsibilities

The Kenyan Trustees(perpetual succession) act requires the management to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the organization as at the end of the financial year and of its operating results for that year.

It also requires the management to ensure that the organization maintains proper accounting records which disclose, with reasonable accuracy, the financial position of the organization.

The management is also responsible for safeguarding the assets of the organization.

The management accepts responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Financial Reporting Standards and the requirements of the Kenyan Trustees(perpetual succession) act.

The management is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the organization as at 31 December 2022 and of its operating results for the year then ended.

The management further accepts responsibility for the maintenance of accounting records that have been relied upon in the preparation of the financial statements, as well as on the adequacy of the systems of internal financial controls.

Nothing has come to the attention of the management to indicate that the organisation will not remain a going concern for at least the next twelve months from the date of this statement.

Approved by the Board of Trustee Ruben centre on..... and signed on its behalf by:

Chair of the BOD of trustee ..... *S. J. Keeney* ..... Date..... *18.4.2023* .....

Director ..... *F. Cushee* ..... Date..... *19/4/2023* .....

REPORT OF THE INDEPENDENT AUDITORS  
To the Trustees of Christian Brothers - Ruben Centre (RC)  
For the year ended 31 December 2022

### **Unqualified Opinion:**

We have audited the financial statements of Christian Brothers Ruben Centre, set out on pages 7 to 23 which comprise the Financial Position as at 31 December 2022, the Statement of Comprehensive Income, statement of changes in equity, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements give a true and fair view of the state of financial affairs of Christian Brothers Ruben Centre and of its incomes and cash flows for the year then ended in accordance with International Financial Reporting Standards relating to the presentation of financial statements.

### **Basis of Unqualified Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion as listed below.(a&b)

### **Key Audit Matter**

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These Matters were addressed in the context of our Audit of the Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Other information**

The management is responsible for other information. The other information comprises the statement of management's responsibilities that comprise the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

### **Responsibilities of the management on the financial statements**

The management is responsible for the preparation of the financial statements that give a true and fair view of the organization in accordance with the IFRS and the requirements of the Kenyan Trustees(Perpetual Succession) act and for such internal control as the management may determine to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the organization's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using going concern as a basis of accounting unless the Trustees either intends to liquidate the organization or cease operations, or has realistic alternative but to do so.

Those charged with the governance are responsible for overseeing the organization's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with International Standards on Auditing and Kenyan Trustees(Perpetual Succession) act will always detect a material misstatement when exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- (i) Identify and assess the risk of material misstatement of financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide A basis for our opinion. The risk of not detecting A material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design an audit procedure that is appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- (iv) Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the evidence obtained, whether a material uncertainty exists related to evidence or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- (v) Evaluate overall presentation, structure, and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- (vi) We communicate with those charged with governance regarding, among other matters, the planned scope, and timing of the audit and significance audit findings, including any significant deficiencies in internal control that we identify during our audit.

(vii) We also, provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the current period and are therefore the key audit matters. We described these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner responsible for the audit resulting in this independent auditor's report is CPA Risper Olick, Practicing Certificate No.2496

# Notes To The Financial Statements

## 1. Summary of significant accounting policies

The significant accounting policies adopted in the preparation of these general purpose financial statements are set out below:

### a) Basis of preparation

The financial statements are prepared under historic cost convention and on a going concern basis and in compliance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board. The financial statements have been prepared in Kenya shillings which is the local currency.

The financial statements comprise a statement of comprehensive income and notes to the accounts. Other comprehensive income is recognized in the statement of comprehensive income and comprises items of income and expense (including reclassification adjustments) that are not recognized in the profit and loss account as required or permitted by IFRS. Reclassification adjustments are amounts reclassified to the profit and loss account in the current period that were recognized in other comprehensive income in the current or previous periods.

### b) Revenue recognition

The organization recognizes revenue from donor funding. The amount of revenue recognized is the amount the organization expects to receive in accordance with the terms of the contract.

### c) Property & Equipment

All categories of property and equipment are initially recognized at historical cost. All other items of property and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses.

Subsequent costs are included in the asset's carrying value only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance is charged to the profit and loss account in the year to which it relates.

Depreciation is calculated using the reducing balance method to write down the cost of each asset to its residual value over its estimated useful life using the following annual rates:

	Rate-%
Equipment, furniture & fittings	12.5
Clinic beddings, Linen	25
Computers, copier	30
Motor Vehicles	25
Library books	25
Transformer	25
Buildings	2.5

### d) Cash and cash equivalents

Cash and cash equivalents include cash in hand and demand and term deposits, with maturities of three months or less from the date of acquisition, that are readily convertible to known amounts of cash and which are subject to an insignificant risk

of changes in value, net of bank overdrafts. In the balance sheet, bank overdrafts are included as borrowings under current liabilities.

## 2. Significant judgements and key sources of estimation uncertainty

The judgements made by the management in the process of applying the organization's accounting policies that have the most significant effect on the amounts recognized in the financial statements include:

- i). Classification of financial assets: whether the business model in which financial assets are held has as its objective the holding of such assets to collect contractual cash flows or to both collect contractual cash flows and sell the assets; and whether the contractual terms of financial assets give rise on specified dates to cash flows that are solely payments of principal and interest;
- ii). whether credit risk on financial assets has increased significantly since initial recognition;

## 3. Risk management objectives and policies

### a). Financial risk management

The organization's activities expose it to a variety of financial risks including credit, liquidity and market risks. The organization's overall risk management policies are set out by the board and implemented by the management, and focus on the unpredictability of changes in the business environment and seek to minimize the potential adverse effects of such risks on the organization's performance by setting acceptable levels of risk. The organization does not hedge against any risks.

## 4. Critical accounting estimates and judgements

The organization makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial period. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including experience of future events that are believed to be reasonable under the circumstances.

### (i.) Property and equipment

Critical estimates are required in determining the depreciation rates for property and equipment. The management determines these rates of depreciation based on their assessment of the useful lives of the various items of property and equipment

### (ii.) Intangible assets

Critical estimates are made by management in determining the amortization rates for intangible assets. The management determines these rates of amortization based on their assessment of the useful lives of the intangible assets.

### (iii.) Income tax

Provision for corporate tax has not been included in these financial statements. The organisation's income is exempted from tax in accordance with paragraph 10 of the 1st schedule of the Income Tax Act Cap. 470 (Laws of Kenya.)
